SHALIMAR, Fla. (Feb. 4, 2021) – [Lee's Famous Recipe® Chicken](#) received its first-time recognition as a [Franchise Direct "Top 100"](#) franchise. The report takes into consideration sales revenue, years in franchising, and corporate citizenship among other criteria.

"It's an honor to be among the top brands from around the world, many of them household names. As a system, we've worked hard to have the success this accolade represents," said Chuck Cooper, president and CEO of Lee's Famous Recipe Chicken.

"As a heritage brand, Lee's remains a 'go-to' for so many families in the communities we serve. Almost every one of our stores has drive thru service, and our fans have really depended on this safe, fast way to feed their families the comfort food they have come to love.
