**Lee's Famous Recipe® Chicken is once again a
Nation's Restaurant News "Top 200" Chain**

SHALIMAR, Fla. (August 21, 2020) – [Lee's Famous Recipe® Chicken](https://www.leesfamousrecipe.com) continues to be a top U.S. restaurant chain ranking for the 3rd year in the highly-regarded *Nation's Restaurant News* (NRN) "Top 200." For the recognition, NRN "seeks to present relevant comparisons of the largest foodservice competitors by tracking only consumer sales and revenue generated in the United States," and the report helps "define which chain concepts and market segments are prospering or challenged and where consumers are spending their dining dollars."

"We appreciate the customers who consistently choose Lee's fresh-never-frozen meal options for themselves and their families, that's the real measurement of success for our brand," said Chuck Cooper, president and CEO of Lee's Famous Recipe® Chicken. "Our long-time customers, franchisees and licensees are the heart of Lee's and the food happens to be some of the best you'll ever taste. This top 200 recognition is a testament to Lee's people and the legions of customers who enjoy the delicious food offered in locations throughout the country."
